

Early Learning and Child Care

The Toronto Caucus, which represents the six CFUW Clubs in Toronto, was formed to collectively address issues of concern for the whole city. Two members of the Status of Women and Human Rights Interest Group represent the UWCNY.

For the past several years our focus has been on Early Learning and Child Care. CFUW's policy is to promote universally accessible, affordable, comprehensive early learning and child care funded through the various levels of government. The present COVID 19 pandemic has highlighted this need. Our plan is for a national program
