Dear Isabel Fonseca,

Congratulations to University Women's Club of North York for placing first overall out of all teams during White Ribbon's 11th annual Toronto Walk a Mile in Her Shoes event Sept. 26th- Oct. 2nd this year.

We are extremely grateful for your organization's fundraising efforts in support of White Ribbon's mission of engaging men and boys in the movement to end gender-based violence. You collectively raised an incredible \$12,719.52!

Attached please find a special certificate to recognize your team this year. I hope you will share our appreciation with each of your members, and to use in your web and social media communications.

Again, congratulations and thank you for your crucial support!

Sincerely,
